Calendar

12 Housing			

List

O

The home page is a calendar with all the dead lines on it

Housing

upload [+]

status: Not sent

O

When the user hits one of the deadline links, the app takes them to a place where they can upload the essential documents and check the document status.
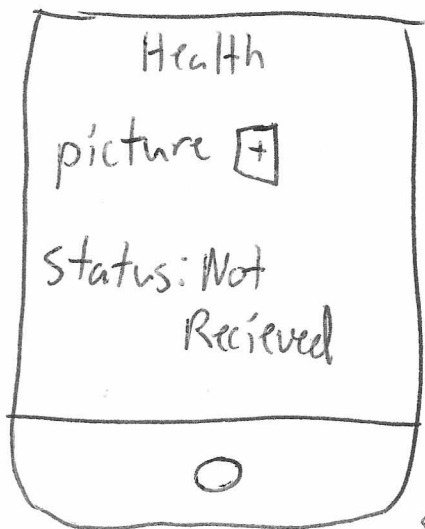

Calendar

12			

O

When a document is recieved, the deadline is removed from the calendar.

Checklist
O Health
O Housing

The homepage is a checklist were the user can see all of their deadlines.
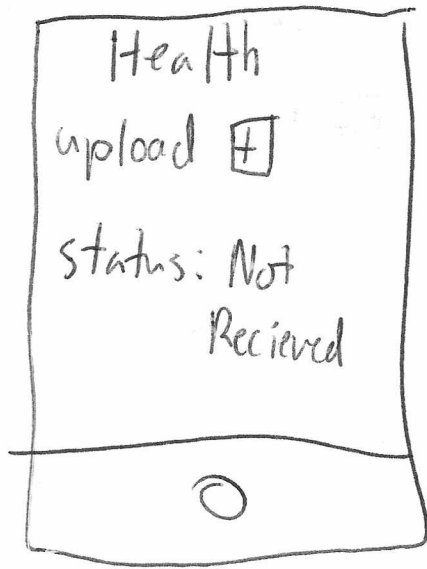

Health
picture ☐
Status: Not Recieved

When the user clicks on an item on the checklist, the app takes them to a screen were the user can take a photo of a document and have it automatically convert itself into a format it can use. The user can also check the status of the document.
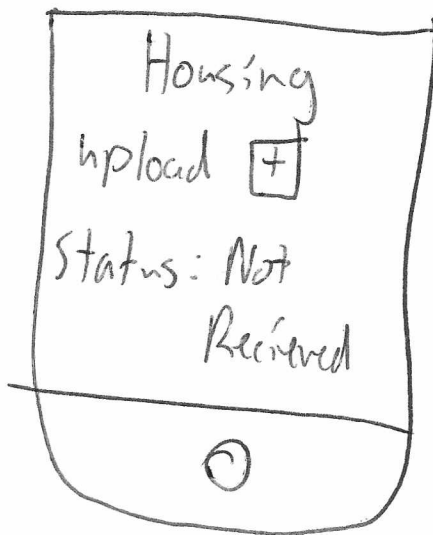

Checklist
☑ Health
O Housing

When the document is recieved, the item is checked off of the home page.

Health

upload ⊞

status: Not

Recieved

The homepage is the deadline that happens the earliest. From this screen the user can upload the essential document and check its status.

Housing

upload ⊞

status: Not

Recieved

When the user completes a task, that task is removed and the task with the closest deadline takes its place on the home page.
